## A MANAGER'S GUIDE TO THE TRAINEE MANAGER PROGRAMME

### ABOUT THIS GUIDE

#### MANAGER GUIDE OVERVIEW

This guide is a tool for you to use while you have Trainee Managers assigned to you. It guides you in the role you play whether you are a Store Manager or a Regional Manager. This guide contains the following:

- An overview of the training programme process
- An accountability matrix that outlines roles and responsibilities
- Assessor Best Practices
- Mentor Best Practices
- Coaching Best Practices
- A guide on what the Trainee's Passport to Success is
- An overview of the departments and the courses for the specific development pathway in this guide that Trainees need to complete, including the Required PnP courses and other interventions.
- On-The-Job and Practical Assessment Checklists with topics that Trainees need to master.
- Explanation of the templates that you will be using

#### THE TRAINING PROGRAMME PROCESS

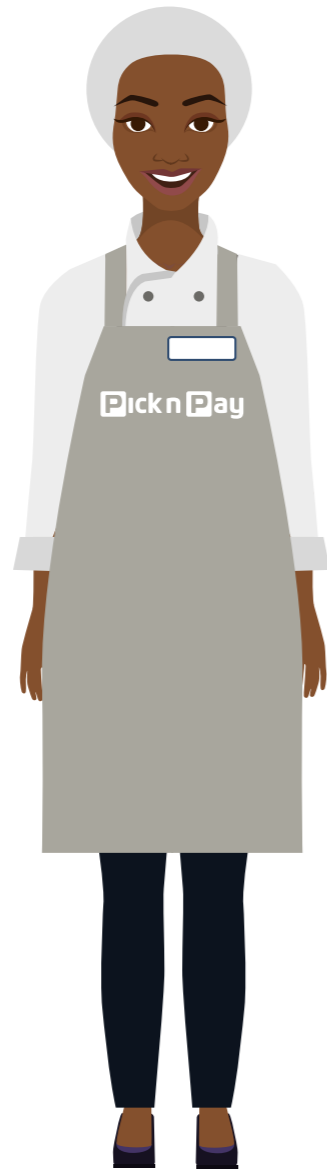

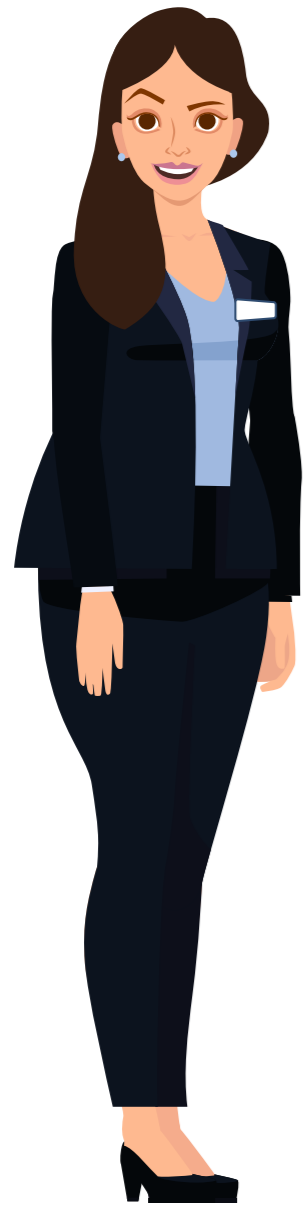

The Trainee signs and accepts the Letter of Appointment as Trainee Manager and then moves into the process of onboarding and planning for their first Development Pathway (DP). The HRBP, with HR Shared Services (HRSS) will assist with planning, coordinating, and enrolling Trainees for all required training interventions.

Throughout the programme, the Store Manager will support and guide the Trainee, and the Regional Manager will conduct all practical assessments, including the Mini Panels. The HRBP will also be involved in the Mini Panel as an objective role player, supporting the Trainee and assisting with any challenges that may arise.

## Egypt, the land of legends

Forming the bridge between Africa and the Middle East, Egypt presents an intriguing fusion of culture and history against a spectacular scenic backdrop. From vast desert sands to the fertile valley of the life-giving Nile to the rugged Red Sea Mountains, Egypt has claim to some of the most diverse landscapes in the world.

Travel through the sands of time to reveal one of the world's most ancient empires. Visit the last

remaining wonder of the ancient world, the Pyramids at Giza, discover spectacular statues and monuments, marvel in the intricate architecture of traditional temples and mosques and immerse yourself in the fascinating culture of this ancient civilisation.

Visitors have long been in awe of Egypt's archeological mysteries, yet have relatively recently discovered it is an underwater 'wonder

of the world'. The clear warm waters of the Red Sea play host to an aquatic treasure trove where you can experience a colourful underwater tapestry of exotic flora and fauna.

Egypt has something to offer everyone with its stylish night spots, luxury hotels, incredible diving, dramatic scenery and exciting water sports – all set against a unique and ancient heritage and of course, year-round sunshine.
